AACCP 2021 CALL FOR PAPERS

AACCP (Architecture, Archaeology and Contemporary City Planning) is a multidisciplinary and progressive network, which has gathered together researchers, experts and practitioners from various fields to discuss topics related to urban development and city planning since 2014. One of the main aims of the network is to promote collaboration between different actors and increase understanding of the profitable co-existence of the past, present and future in urban environments. With this task in mind, we are happy to invite you to the eighth AACCP symposium organized in collaboration with the Dynamic Research on Urban Morphology (DRUM) laboratory at Özyeğin University in **Istanbul, Turkey on April 26th- May 2nd, 2021.**

With the theme **CITIES IN EVOLUTION DIACHRONIC TRANSFORMATIONS OF URBAN AND RURAL SETTLEMENTS** we are inviting contributors to present papers that fall within the cross section of architecture, archaeology and city planning and are related, but not limited, to the following topics:

Conference themes:

- Archaeology, architecture and design, transdisciplinary and interdisciplinary studies.
- Urban and rural evolution, redevelopment and regeneration
- Diachronic urban-territorial studies and “longue durée” history
- Small towns: visions, ideas and realizations – principles in practice
- The role, (mis)use and utilisation of archaeology in city planning and design
- Collaboration between city planners, architects, archaeologists, designers and developers
- Public–private–people partnership in urban planning and archaeology
- Climate crisis, Covid-19 crisis, migration, cities and cultural heritage
- Interrelationship between public and private spaces
- The social perspective of Heritage and urban space
- Landscape, Land use, transportation and traffic
- Functionality, sustainability and attraction of archaeological sites, cities and rural territories

If you wish to participate in the symposium and present your studies, experiences and ideas at the AACCP2021 in Istanbul, please send your proposal with an abstract (maximum 3000 characters spaces included and a short bio 1000 characters spaces included and a photo, using the abstract template) by **January 15, 2021** to aaccp.2021@gmail.com. The abstracts will be peer reviewed by the scientific committee, acceptance will be communicated by **February 20th**. You may also participate in the meeting without a paper. In this case, too, we would appreciate your registration by email. The programme consists of presentations and discussions, excursions in and outside Istanbul as well as social activities that have proved to be very fruitful and to bring interesting ideas for a new kind of research and collaboration. We will publish the full programme on the website by **February 25th, 2021** after the acceptance of papers. Özyeğin University will kindly host the meeting, participation to the symposium is free, but each participant should pay for accommodation, meals, other activities and excursions. **All participants, even those who will not present a paper, should register** to the symposium writing an email to aaccp.2021@gmail.com by **February 28, 2021**. We will send further details about the registration to those who have submitted an abstract by January 15. The abstracts already accepted for AACCP2020 in Beirut (which was cancelled) will be included in AACCP2021 Istanbul, nevertheless, authors who intend to take part should confirm their participation by resending the abstract using the new template and registering by email. The conference will be in a hybrid form, considered the most likely travel restrictions from/to different countries, it will have different on-site locations all connected synchronously. Within this Distributed Conference Virtual Environment (DCVE), it will be possible to organise plenary and parallel sessions as well as real and virtual site visits. If you wish to lead a site visit, please send an email with the details to aaccp.2021@gmail.com. We will publish the papers of the AACCP2021 in a PDF volume with ISBN code. In addition, selected papers might be considered for publication on “FORMA CIVITATIS: International journal of urban and territorial morphological studies” (IJUTMS), Grünberg Verlag, Weimar-Rostock. <http://www.formacivitatis.com/> We are looking forward to spend productive days together in spring. Welcome to Istanbul.

Istanbul, September 20th, 2020.
